

SAMASHTI INTERNATIONAL SCHOOL

Chauri Chaura, Gorakhpur

Message from The Managing Director

Dear Parents, Guardians, and Prospective Students,

It is indeed a matter of great pride for me to announce opening of Samashti International School in Chauri Chaura- a historical place which symbolises nationalism and resilience.

At Samashti International School, we believe that every child is unique, with boundless potential waiting to be unlocked. Our dedicated team of educators, modern facilities, and dynamic curriculum work hand-in-hand to ensure that our students not only achieve academic success but also develop into well-rounded individuals equipped to thrive in an ever-changing world. We emphasize values such as integrity, empathy, and perseverance, ensuring our students grow into responsible global citizens.

As managing director of this institution, I am proud of the strides we have made in maintaining a balance between tradition and innovation, providing an education that honors our core values while embracing new opportunities for growth.

I invite you to join the Samashti family and embark on a journey where aspirations take flight, and excellence becomes a way of life.

Thank you for considering Samashti International School for your child's educational journey. Together, we can shape a future filled with promise and success.

Warm regards,
Mr. Chitrarth Shiv Jaiswal
Managing Director
Samashti International School

Message from The Trustee

Dear Parents, Guardians, and Prospective Students,

It is with immense pride and pleasure that I welcome you to Samashti International School, a nurturing environment where excellence in education is paired with the holistic development of every child.

As trustee, I take great pride in witnessing our students evolve into confident, compassionate, and socially responsible individuals of the country. We are committed to fostering an inclusive and supportive community where every child feels valued and empowered.

Thank you for considering Samashti International School as the foundation of your child's educational journey. We look forward to welcoming you into our vibrant school family and partnering with you in shaping a bright and promising future for your child.

Warm regards,
Mr. Ashutosh Rao
Trustee

Samashti Education and Charitable Trust

Message from The Mentor

Dear Students, Parents, and Well-Wishers,

‘Samashti’ is a Sanskrit word meaning ‘complete’. The name resonates with our vision of imparting comprehensive education to the children and shape each one of them to become better human being. As a mentor, I take immense pride in the vibrant, nurturing, and stimulating environment we have created—a place where every child can discover their potential and flourish.

At Samashti International School, we believe in fostering a holistic approach to education. Our dedicated faculty, modern facilities, and inclusive culture work together to ensure that each student is prepared to face the challenges of tomorrow with confidence and resilience.

As guide and mentor, my goal is to inspire and empower every learner to excel and embrace their unique strengths. Education is not just about acquiring knowledge; it is about nurturing curiosity, encouraging innovation, and building a foundation of values that will last a lifetime.

Together, let us create a community of lifelong learners, compassionate individuals, and future leaders.

Warm regards,

Maj Ankita Tewari

Mentor

Samashti International School

Message from The Chief Mentor

"Dear Students and Parents,

As a mentor, I am thrilled to be a part of Samashti International School. The school is dedicated to fostering a love of learning, creativity, and critical thinking in each and every student.

The experienced faculty, state-of-the-art facilities, and diverse extracurricular opportunities provide a well-rounded education that prepares students for success in all aspects of life.

As a mentor, I am proud that the school has facilities like smart classes, maths lab and space lab to impart learning in an innovative manner. The courses on coding and advanced computing will prepare the child to face the challenges of future. Incorporation of yoga in the school routine will provide much required body-mind balance to the children. The initiative of the school to conduct regular mentoring sessions by eminent personalities is unique. I am proud to play a role in helping shape the minds and characters of future leaders and change-makers.

If you're looking for a nurturing environment that challenges students to reach their full potential, look no further. I invite you to join Samashti International School and experience the difference for yourself.

Warm regards,
Dr Siddharth Shiv Jaiswal, IAS
Chief Mentor
Samashti International School

VISION

At Samashti International School, our vision is to nurture confident, self-assured individuals who embrace challenges with courage, resilience, and a positive mindset. We strive to create an empowering environment where children develop a strong sense of self-belief, unlock their potential, and express their ideas with clarity and conviction.

MISSION

- **Empowering Students:** Cultivating confidence, independence, and a lifelong love of learning.
- **Fostering Excellence:** Delivering a balanced education that combines academic rigor with creativity and innovation.
- **Building Character:** Instilling values such as respect, integrity, empathy, and responsibility to shape compassionate and ethical individuals.
- **Encouraging Collaboration:** Promoting teamwork and community engagement to prepare students for global citizenship.
- **Supporting Growth:** Providing opportunities for every student to discover and develop their unique talents and passions.

Through these efforts, we strive to inspire our students to achieve their full potential and contribute meaningfully to the world.

CURRICULUM

We follow the ICSE Board curriculum, designed to prepare students for both academic and personal success. Our comprehensive syllabus encourages critical thinking, creativity, and practical application of knowledge.

“ Education is the key to empower the people and empower the nation ”
APJ Abdul Kalam

Smart Classrooms

Equipped with interactive whiteboards, high-speed internet, and digital content, smart classrooms bring lessons to life by making them more engaging, interactive, and accessible for students. By blending traditional teaching methods with modern technology, smart classrooms create an innovative and dynamic space where students are empowered to think critically, collaborate effectively, and prepare for the demands of a digital world.

Space Lab

By bringing the wonders of space closer to students, the space laboratory ignites a passion for discovery and innovation, encouraging them to dream big and consider careers in science, technology, engineering, and mathematics (STEM). It serves as a platform for nurturing the next generation of explorers, innovators, and scientists.

Maths Lab

The math lab fosters critical thinking, logical reasoning, and a love for mathematics. It helps students build confidence in their mathematical abilities while cultivating creativity and analytical skills that are essential for academic and personal growth.

Art and Craft

By incorporating art and craft into school curricula, students not only develop practical skills

Sports and Co-curricular Activities

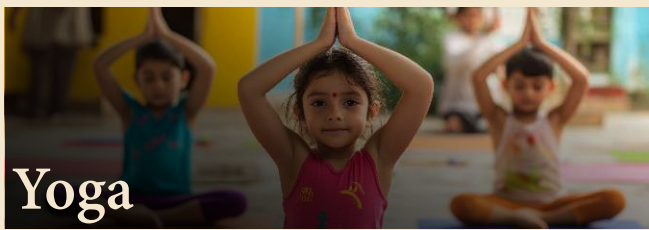

Basketball

A basketball court in a school provides an essential space for physical education, team sports, and recreational activities. It promotes physical fitness, teamwork, and strategic thinking among students.

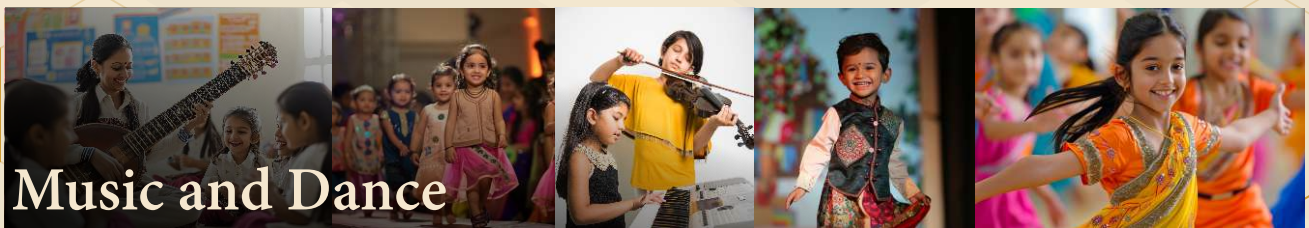

Skating

It is a fantastic addition to the school's recreational facilities, offering students an exciting, dynamic, and skill-enhancing skating experience.

Yoga

Yoga creates a balanced approach to education, addressing the mind, body, and spirit. It equips students with the tools they need to cope with stress, improve their physical health, and develop lifelong habits that promote well-being.

Music and Dance

Students gain artistic skills and develop key life skills such as perseverance, creativity, collaboration, and confidence. Music and dance in school contribute to well-rounded individuals who are more emotionally intelligent, physically active, and equipped to succeed in diverse environments.

Children Play Area

A dedicated child play area in school is a recreational space; it plays a vital role in a child's overall growth and development. It fosters a balanced and healthy lifestyle, offering opportunities for physical activity, social interaction, creative exploration, and emotional expression.

Additional Facilities

Coding & Advance Computing

Exposure to coding and advanced computing at young age is beneficial in developing problem-solving skills, critical thinking, creativity and collaboration. It also helps in learning through games, interactive projects and creative tasks and prepares the child for present as well as future.

Medical Room

A medical room equipped to handle the health and first-aid needs of students and staff. A safe and accessible place for immediate care in case of illness, injury, or medical emergencies.

Teachers & Teaching STRATEGY

Our Teaching Learning System is following these essentials Learning by playful activities and Audio-Vedio visual aids. Learning by doing learning through academic activities & Drama Imparting Knowledge according to individuals interest and Developing needs.
